Scholarship Application Form

We want SS-ROV Camp to be accessible to everyone, including those who would not normally be able to afford the tuition due to their financial situation. We are fortunate to receive donations so that we can provide scholarships to those with fiscal needs; however, these funds are limited. If your camper is in need of financial assistance to participate in our camp, please complete this application and email it to: ssrovcamp@gmail.com
Our staff will review your application and get back to you as soon as possible about the level of scholarship we might be able to offer to you.
