

Liability, Media Release and Field Trip Form

Liability: I hereby waive any claims against and release from liability Oceans and Robotics Inc. and their employees, agents, or volunteers ("Releasees") for any bodily injury, death, or property damage arising from my child's participation in the 2024 Seafloor Science ROV (SS-ROV) Camp. I understand that participation in the Camp is voluntary and in no way required. I further understand and agree that I am accepting, on behalf of my child, the risks associated with Camp activities. Such activities may involve, but are not limited to, physical activity, exposure to the elements, insects, computers, and electronics, and interaction with other campers. In signing this release, I am agreeing not to file suit or otherwise bring a claim against Releasees based on any loss suffered by me or my child arising from participation in the 2024 SS-ROV Camp.

Media Permission: At times, SS-ROV Camp will use photographs, video and/or audio recordings for illustration, outreach activities, art, and educational purposes and may include the display, distribution, publication, or the use in other media outlets such as printed material, brochures, newsletters and digital images such as those on the SS-ROV Camp website as well as the websites of SS-ROV Camp affiliates and sponsors. Because of the difficulty in culling images, media permission on this form is required to participate in this camp.

I understand that SS-ROV Camp may NOT release my child's images or statements to others for use unrelated to SS-ROV Camp. I hereby release and discharge the SS-ROV Camp program and the Oceans and Robotics Incorporation, its employees, agents, or volunteers from any and all claims and demands arising out of or in connection with the use of photographs, likeness, and/or voice, including limitations of any and all claims for libel or invasion of privacy. I hereby give the SS-ROV Camp program and its legal representatives the right and permission to publish images of and statements by my child as captured through photography, videography, audio recording, and written communication during SS-ROV Camp functions. I further authorize modification of these images and statements for correctness and artistic effect so long as the changes do not result in intentional and harmful misrepresentation.

Field Trips: SSROV Camps may take a field trip. I grant permission for my child to participate on these field trips.
